HST: Are you ready?

Apr. 27, 2010
Online

DETAILS

Presented by the CBA National Commodity Tax, Customs and Trade Section

Prepare yourself for the new harmonized sales tax (HST), set to replace the GST and PST in Ontario and British Columbia on July 1, 2010. Join us for this important 90-minute introduction to the HST, and be ready to advise your clients all over Canada, large and small, on the impact of the HST on their businesses.

Topics to be covered include:

- Advantages and disadvantages of the HST compared to GST and PST;
- Demystifying the transitional rules which govern how the old PST system will be wound down;
- The newest "place of supply" rules which determine in which province HST is collected;
- The impact of the HST on your clients' businesses;
- Restrictions on input tax credits for large businesses;
- HST on real estate and the impact on real estate developers;
- The impact of the HST on the Tax-Exempt Sector;
- What you need to do to get ready;
- What are the known "unknowns"?
